

From the home page, you can choose a county from which to obtain veteran's counselor's contact information.

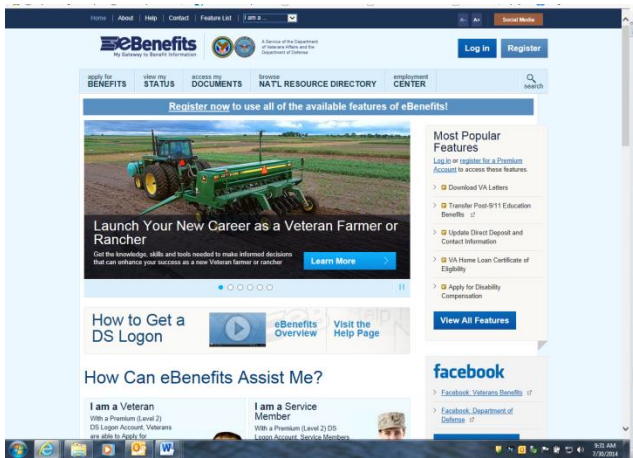

3. [National Archives, Veteran's Service Record Page](#)

Available record requests from the National Archives include DD 214/separation documents, personnel records, and/or medical records.

4. [U.S. Department of Veterans Affairs](#)

In the event that the Character of Service box is not present on a DD-214 supplied by a veteran, information found from the U.S. Department of Veterans Affairs may be used to supplement the DD-214. The veteran must click on the "Access my Documents" tab to proceed with the request.

5. [County Clerk](#)

DD-214s may be obtained by asking the veteran to contact their county clerk. Service members are advised to have their DD-214 entered with the county clerk as a public document, at no charge, following their return home. If they did this, free certified copies of their DD-214, notarized by the county clerk, are available.
