Do you enjoy working with your hands and your mind? Are you looking for gratifying work and portable skills with an in-demand career?

There is an immediate need for CNC (Computer Numerical Control) machine operators, who make parts and pieces from raw materials. Learn more about this short-term, five-week training program at Oakland Community College in Auburn Hills that will prepare participants for entry-level CNC machine operator positions. Classes start September 12.

Earn up to three National Institute for Metalworking Skills Certifications and two NC3 Certifications:

- NC3 Mike Rowe Work Ethics Certification
- IC2 Digital Literacy Certification
- NIMS Measurement, Materials & Safety Certification
- NIMS CNC Mills Operations Certification
- NIMS Lather Operations Certification

Guaranteed interviews upon successful completion of the program.

Take advantage of this FREE opportunity to launch a new career!

Applicant Requirements

- U.S. citizen or eligible non-citizen
- Registered with the Selective Service (if applicable)
- Must be available to attend class Monday through Friday, also two Saturdays during the training period to take NIMS certification tests.
- High school diploma or GED
- Unemployed or underemployed
- Drug free
- Other eligibility factors may apply
