Do you enjoy working with your hands and your mind? Are you looking for gratifying work and portable skills with an in-demand career?

There is an immediate need for CNC (Computer Numerical Control) machine operators, who make parts and pieces from raw materials. Learn more about this short-term, five-week training program at Oakland Community College in Auburn Hills that will prepare participants for entry-level CNC machine operator positions. Classes start this April.

Average Entry-Level Wage:
\$16-20
per hour

Earn up to five nationally recognized certifications:

- Mike Rowe Work Ethic Certification
- NIMS Measurement, Materials & Safety Certification
- NIMS CNC Mill Operations Certification
- NIMS Lathe Operations Certification
- OSHA 10 Certification

Take advantage of this FREE opportunity to launch a new career!

Applicant Requirements

- U.S. citizen or eligible non-citizen
- Registered with the Selective Service (if applicable)
- Must be available to attend class Monday through Friday, also two Saturdays during the training period to take NIMS certification tests.
- High school diploma or GED
- Unemployed or underemployed
- Drug free
